Description Shipping and payments

I have decided to sell the rarest game from my collection.

A boxed punch-out!

This is maybe the rarest verion of all game and watch editions. There will not be another one soon for sale on ebay. So, this is your big chance to make your collection more exclusive!

The game itself is as new. The instructions, pink slip and babystickers are also new. The foam, not mint but in good condition, and the plastic bag are included.

EVERYTHING IS ORIGINAL NINTENDO!

The box has some wear and tear.
There is no penwriting on the box or leftovers from stickers etc.
One small flap is missing.
The box has some rips on the spot where the flaps are attached. This is from opening and closing.

NO RIPS ON THE FRONT SIDE! It may look like it on the pics, but these are creases.
There is one rip, about 1,5 cm, on the backside of the box, where the long flap is attached.
The box is still in firm shape.

I will ship this game well packed and signed for.

Shipping inside The Netherlands is 8,60 euro's.
Shipping inside Europe is 13,10 euro's or 18 euro's for some other countries (please inform)
Shipping outside Europe is 20 euro's

Good luck bidding on this extremely rare item.
